WE Care & Repair is an award winning, not for profit organisation and appointed Home Improvement Agency for:

Bath & North East Somerset Council

West of England Care & Repair (WECR)

WE Care & Repair is an award-winning, not-for-profit organisation with over 30 years experience.

- 🏠 We provide **help and advice** with repairs and adaptations to homeowners and private landlord tenants.
- 🏠 Our Handyperson Service takes care of a **wide range of jobs around the home**, things like changing lightbulbs, repairing leaky taps, repairing locks, fitting shelves and curtain rails and installing additional sockets.
- 🏠 Our **Larger Repairs Service** team can arrange a full start to finish service. From surveying, planning, overseeing and checking contractors work to relieve you of stress and anxiety.
- 🏠 Our Home Independence Centres in Bristol and Weston-super-Mare offer **occupational therapy assessments** and give you the chance to **try out bathrooms, adapted kitchens and different types of stair lifts** to help you decide on important changes to your home.
- 🏠 Our Adaptations team can help you **plan and find funding for major projects**, such as an extension, downstairs toilet or garage conversion.
- 🏠 Our **specialist bathroom adaptations service** takes the stress out of replacing your bathroom. We can help you to install a stylish, high-performance wet room, level access showers or simple bathrooms to suit your needs.
- 🏠 We only work with contractors that meet our **standards of quality and trust** - so you don't need to worry about rogue traders.
- 🏠 We will hold your funds and not release payments to contractors until we are satisfied that the work matches your requirements.

"WECR are helpful, expert, very friendly, efficient, easily accessible and clearly explained what they do." *Mrs M (Bristol)*
